Proposed Rule Change by

# THE OPTIONS CLEARING CORPORATION

Pursuant to Rule 19b-4 under the Securities Exchange Act of 1934

## Item 1. Text of the Proposed Rule Change

The Options Clearing Corporation ("OCC" or the "Corporation") proposes to add a sentence, as set forth below, in the Introduction to Article XXII of its By-Laws to make clear that cash-settled foreign currency options traded on national securities exchanges will be treated and cleared as securities options notwithstanding that they may have a nominal exercise price such as one cent. The purpose of the proposed interpretation is to provide legal certainty for the trading of such products. Material proposed to be added to OCC's By-Laws and Rules as currently in effect is underlined.

#### THE OPTIONS CLEARING CORPORATION

#### **BY-LAWS**

#### ARTICLE XXII

#### **CASH-SETTLED FOREIGN CURRENCY OPTIONS**

#### Introduction

By-Laws in this Article are applicable only to cash-settled options where either the trading currency or the underlying interest is a foreign currency. In addition, the By-Laws in Articles I-XI are also applicable to such options, in some cases supplemented by one or more By-Laws in this Article, except for By-Laws that have been replaced in respect of such options by one or more By-Laws in this Article and except where the context otherwise requires. Whenever a By-Law in this Article supplements or, for purposes of this Article, replaces one or more By-Laws in Articles I-XI, that fact is indicated in brackets following the provisions of Article XII of the By-Laws and Chapter XIII of the Rules. Options subject to the provisions of this Chapter will be treated as securities options subject to the jurisdiction of the Securities and Exchange Commission even if the exercise price is fixed at a nominal amount, such as one cent, resulting in options that are deep in the money when they are opened for trading, provided that the Commodity Futures Trading Commission has taken the position, through issuance of exemptive orders or otherwise, that such options may be traded on the listing Exchange and cleared by the Corporation as securities without violating the Commodity Exchange Act.

## Item 2. Procedures of the Self-Regulatory Organization

OCC's Board of Directors approved the clearance and settlement of cash-settled foreign currency options as proposed for trading by ISE at a meeting held on July 26, 2006.

Questions regarding the proposed rule change should be addressed to Jean M. Cawley, Senior Vice President and Deputy General Counsel, at (312) 322-6269.

# Item 3. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

The purpose of the proposed rule change is to remove any potential cloud on the jurisdictional status of cash-settled foreign currency options with an exercise price of one cent.

In its capacity as a "derivatives clearing organization" registered as such with the CFTC, OCC is filing this proposed rule change for prior approval by the CFTC pursuant to provisions of the Commodity Exchange Act (the "CEA") in order to foreclose any potential argument that the clearing by OCC of such options as securities options constitutes a violation of the CEA. The products for which approval is requested are essentially the same as cash-settled foreign currency options that OCC currently clears except for the low strike price.

\* \* \*

The proposed interpretation of OCC's By-Laws is consistent with the purposes and requirements of Section 17A of the Exchange Act because it is designed to promote the prompt and accurate clearance and settlement of transactions in securities options, to foster cooperation and coordination with persons engaged in the clearance and settlement of such transactions, to remove impediments to and perfect the mechanism of a national system for the prompt and accurate clearance and settlement of such transactions, and, in general, to protect investors and

the public interest. It accomplishes this purpose by reducing the likelihood of a dispute as to the SEC's jurisdiction over cash-settled foreign currency options with an exercise price of one cent. The proposed rule change is not inconsistent with the By-Laws and Rules of OCC, including those proposed to be amended.

# Item 4. Self-Regulatory Organization's Statement on Burden on Competition

OCC does not believe that the proposed rule change would impose any material burden on competition.

# Item 5. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

Written comments were not and are not intended to be solicited with respect to the proposed rule change, and none has been received.

## Item 6. Extension of Time Period for Commission Action

OCC does not consent to an extension of the time period for Commission action on the proposed rule change.

# Item 7. <u>Basis for Summary Effectiveness Pursuant to Section</u> 19(b)(3) or for Accelerated Effectiveness Pursuant to Section 19(b)(2)

Not applicable.

# Item 8. Proposed Rule Change Based on Rules of Another Regulatory Organization or of the Commission

The proposed rule change is not based on a rule change of another self-regulatory organization.

# Item 9. Exhibits

Exhibit 1 Completed notice of the proposed rule change for publication in the <u>Federal Register</u>.

## A. <u>Self-Regulatory Organization's Statement of the Purpose</u> of, and Statutory Basis for, the Proposed Rule Change

In its capacity as a "derivatives clearing organization" registered as such with the CFTC, OCC is filing this proposed rule change for prior approval by the CFTC pursuant to provisions of the Commodity Exchange Act (the "CEA") in order to foreclose any potential argument that the clearing by OCC of such options as securities options constitutes a violation of the CEA. \* \* \*

The proposed interpretation of OCC's By-Laws is consistent with the purposes and requirements of Section 17A of the Exchange Act because it is designed to promote the prompt and accurate clearance and settlement of transactions in securities options, to foster cooperation and coordination with persons engaged in the clearance and settlement of such transactions, to remove impediments to and perfect the mechanism of a national system for the prompt and accurate clearance and settlement of such transactions, and, in general, to protect investors and

the public interest. It accomplishes this purpose by reducing the likelihood of a dispute as to the SEC's jurisdiction over cash-settled foreign currency options with an exercise price of one cent. The proposed rule change is not inconsistent with the By-Laws and Rules of OCC including those proposed to be amended.

# B. <u>Self-Regulatory Organization's Statement on Burden on Competition</u> OCC does not believe that the proposed rule change would impose any burden on competition.
